I want you to know youll always be my best friend no matter what! even though you are the head of the witches! this year was really a good year at hill because we knew each other more better and I liked this school year more because you made it fun. Im sure glad we had at least one class together and I hope we have more together next year. If you really want to know what I think of you just give me a call because I havent enough room to tell you what I think of you! (JOKE) anyway I hope we can always be friends because if our friendship ever ended ~~I~~ wouldnt be able to live. One more thing, I still like you even—though you are a Guam person! ANDREW HILL HIGH SCHOOL

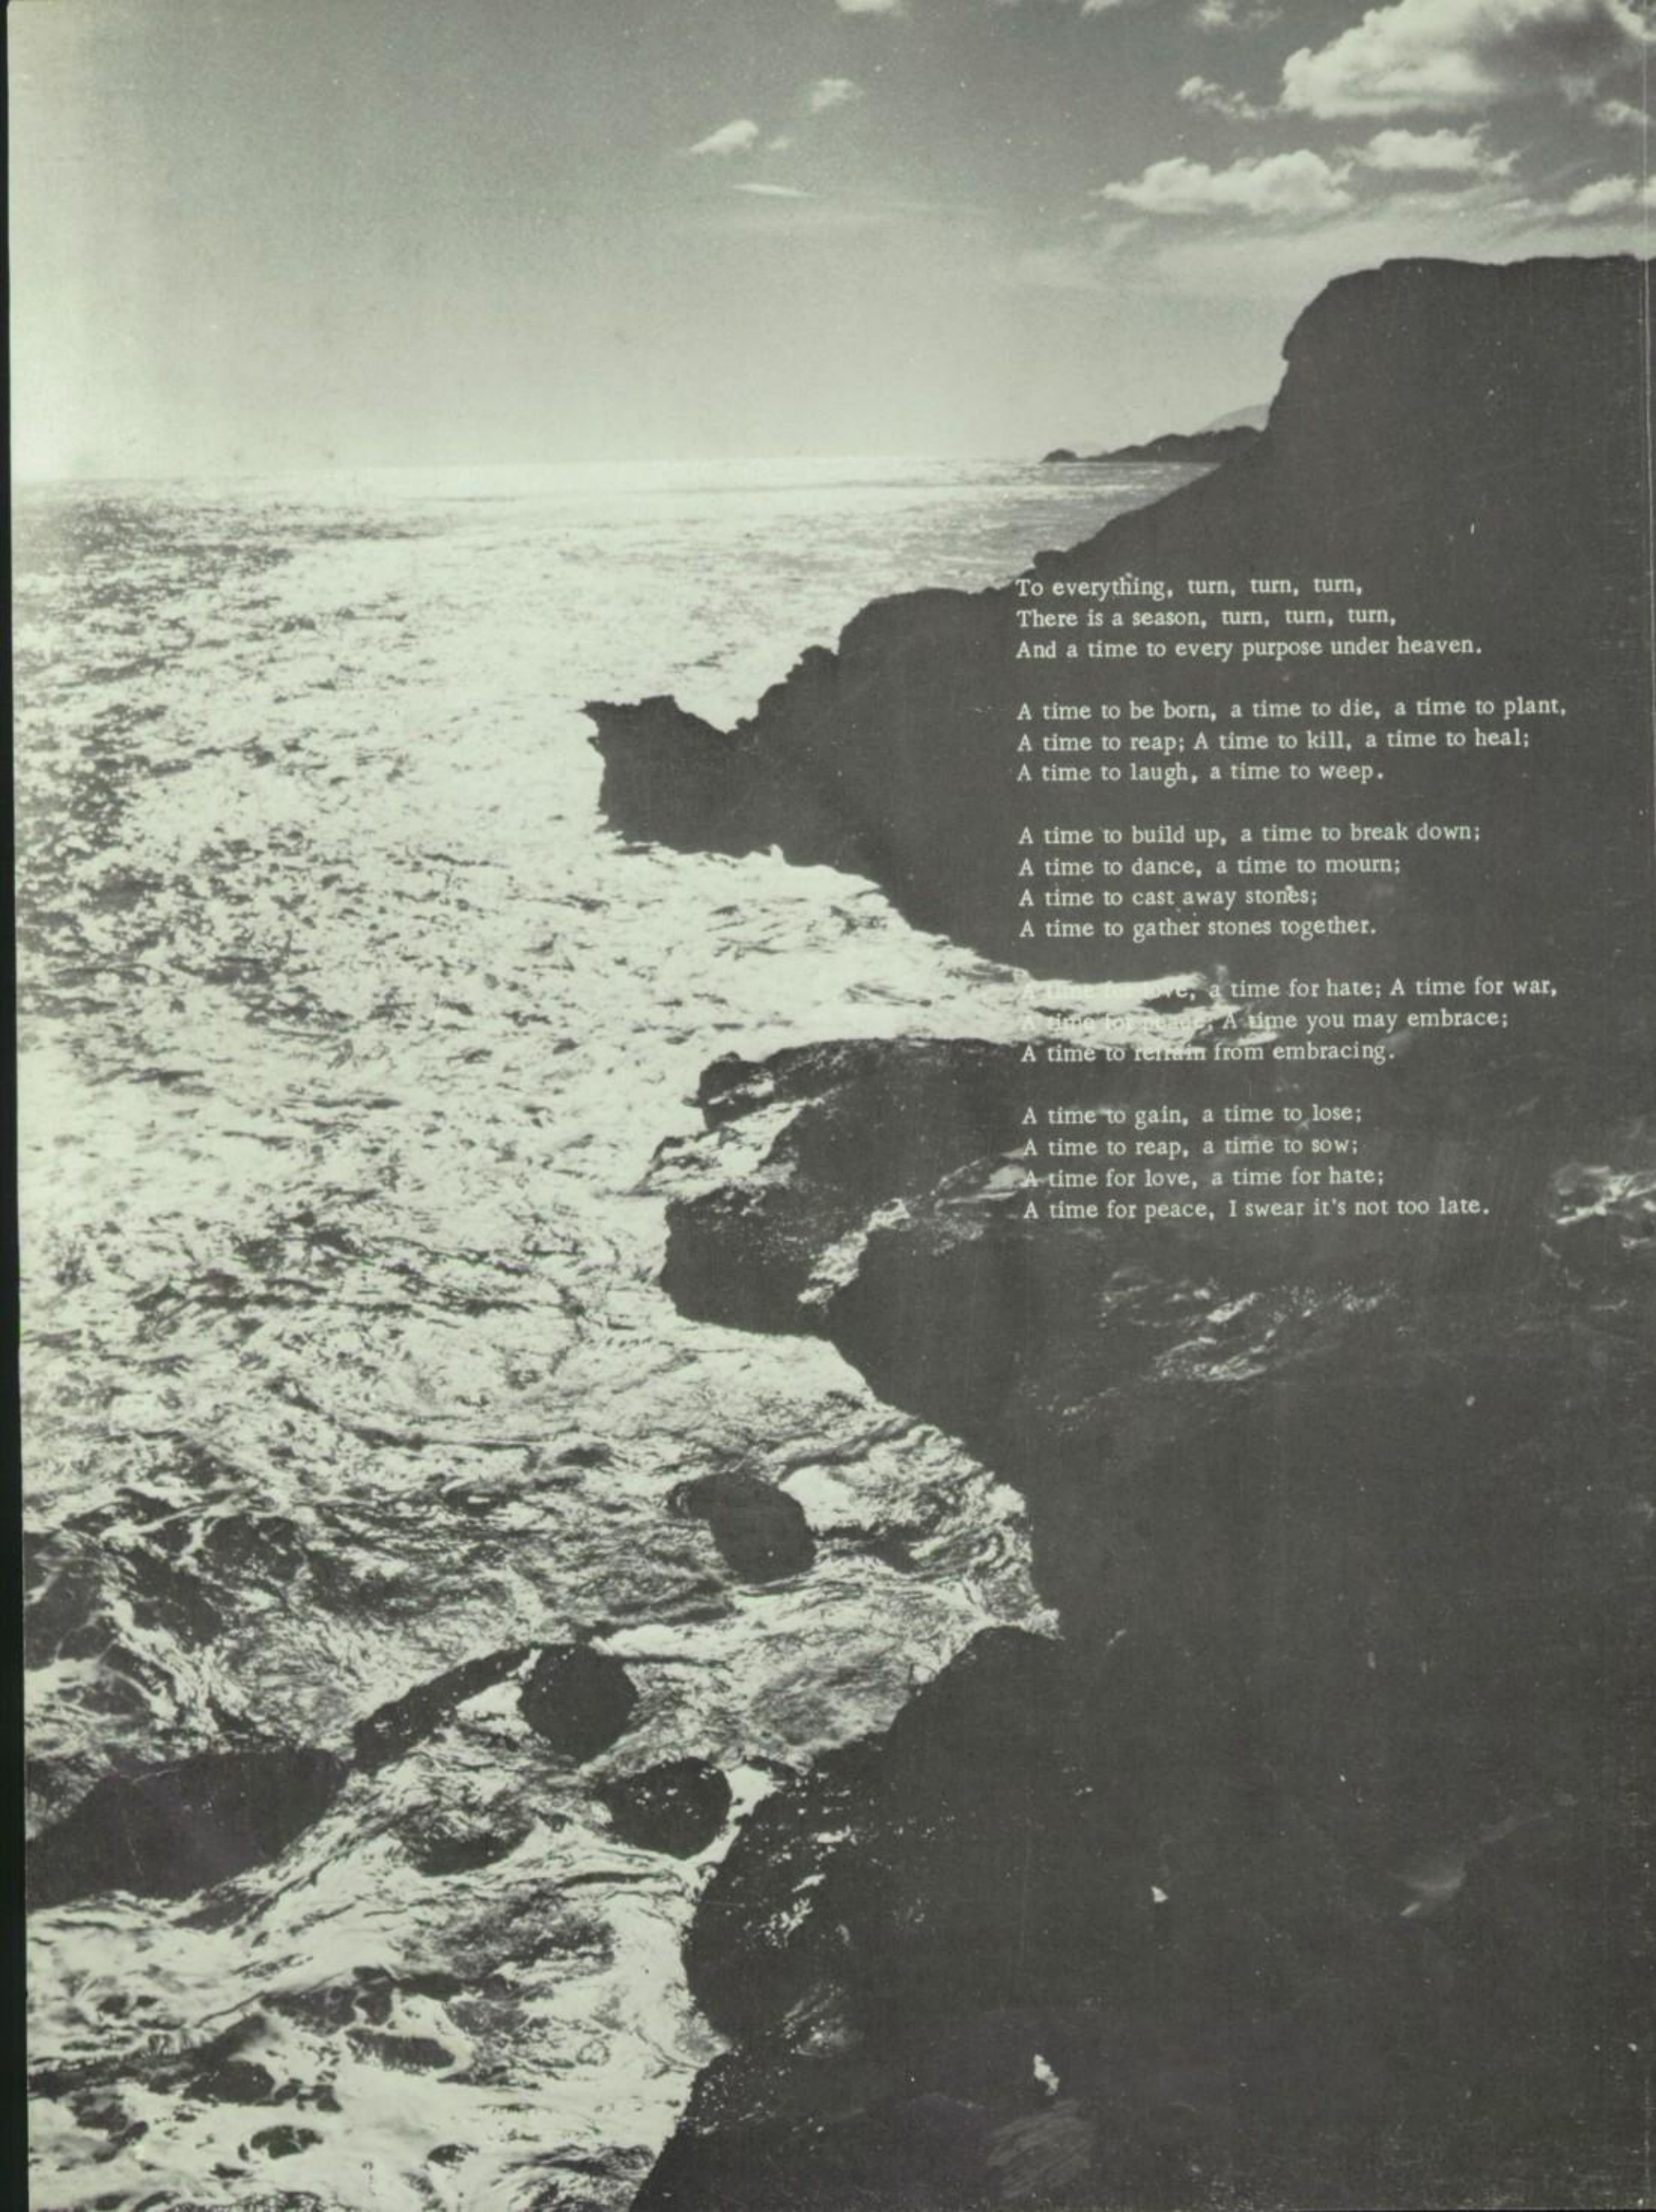
3200 SENTER ROAD

SAN JOSE, CALIF.



To everything, turn, turn, turn,
There is a season, turn, turn, turn,
And a time to every purpose under heaven.

A time to be born, a time to die, a time to plant,
A time to reap; A time to kill, a time to heal;
A time to laugh, a time to weep.

A time to build up, a time to break down;
A time to dance, a time to mourn;
A time to cast away stones;
A time to gather stones together.

A time for love, a time for hate; A time for war,
A time for peace; A time you may embrace;
A time to refrain from embracing.

A time to gain, a time to lose;
A time to reap, a time to sow;
A time for love, a time for hate;
A time for peace, I swear it's not too late.

LIFE'S COMPLETENESS

A love that lasts forever:
A friendship naught can sever;
A courage never failing,
Though evil seems prevailing;
And joyous, radiant living,
Made glorious by its giving;
A faith strong and enduring,
Unworthy thought obscuring;
And eyes for seeing beauty
In work, in play, in duty;
Life ever onward flowing
And more abundant growing;
Love, courage, faith, and sweetness
To make up life's completeness.

Principal's Message

I am sure I express the thoughts of the entire staff of Andrew Hill High School (teachers, secretaries, custodians and others) who have endeavored to make the past school year a profitable one to each Hill student when I say that the past school year was enjoyed by all of us, the Andrew Hill High TALON class has put together a yearbook that reflects in every personal way, these experiences.

We congratulate the TALON class for creating such a superior yearbook! I know that I again express the thoughts of the Hill staff in wishing success to this year's graduates in all future endeavors. We will miss you, but know there is another fine group of young men and women who will take your place. We thank the departing seniors and express our appreciation to all the returning students who have contributed to the success of this past year and who will ensure the success of the 1973-1974 school year.

Creed for Success

That man is a success who has lived well,
laughed often & loved much;

Who has gained the respect of intelligent men
& the love of children...

Who has filled his niche and
accomplished his task;

Who leaves the world a better
place than he found it,

Whether by an improved poppy,
a perfect poem or a rescued soul

Who never lacked appreciation of Earth's beauty...
or failed to express it;

Who always looks for the best in others
And GIVES THE BEST HE HAS!

Among other things, IBM computers are helping scholars to find what the poet Shelley learned from the works of Milton—helping scientists to track the erratic flight paths of the whooping

crane—helping historians to deduce precise shades of meaning in the Dead Sea Scrolls—helping astronomers get close-up pictures of the eerie face of Mars

—and helping oceanographers, sailing the lonely reaches of the east tropic Pacific, determine the course of an equatorial undercurrent.
